The following are terms of participation in the 2005 NIST Speaker Recognition Evaluation:

- Non-LDC members must sign the LDC's SRE-05 License Agreement before receiving the evaluation data. See: <http://www.nist.gov/speech/tests/spk/2005>
- On receiving the evaluation data, the registered site will process the entire test set in accordance with the evaluation plan, and return the system output files to NIST by the end of the evaluation period, **April 28th, 2005**.
- The site agrees to be represented at the Speaker Recognition Evaluation workshop to be held in the eastern United States, on or about **June 6-8th, 2005**, and there, to openly discuss their evaluation system(s) and results.
- The site understands that the evaluation is open to all wishing to participate in accordance with the evaluation rules, that the workshop is open only to representatives of the registered participants and supporting government agencies, and that distribution of the workshop notebook, containing presentations by the sites and supporting government agencies, is limited to this community.
- The site agrees to not publicly compare its results with the results of other participants as specified in the evaluation plan rules. Sites are free to do what they wish with their own results, but may neither redistribute nor publish results from another site without that site's explicit permission.

NIST serves to coordinate the Speaker Recognition evaluations. These tests are designed for local implementation by each participant. Only their results are returned to NIST for scoring. The reported results are not to be construed, or represented, as endorsement of any participant's system, or as official findings on the part of NIST or the U.S. Government.
